

# Fact Sheet

enVista is a leading supply chain consulting and IT services firm, delivering innovative solutions that improve profitability, enhance customer service and reduce waste from source to consumption.

Our unrivaled consulting experience, deep vertical industry expertise and comprehensive solutions portfolio enable clients to leverage one strategic partner that uniquely consults, implements and operates across Supply Chain, Transportation, Retail, IT and ERP.

## The enVista Story

enVista was founded in 2002 by supply chain experts in response to market demand for skilled consulting services.

The name enVista means enabling one's vision. It comes from the prefix -en in the action word, enable, paired with the word Vista, which means a mental image or view of the future.

## Locations

We are headquartered just north of Indianapolis, IN and have offices in Ellesmere Port, United Kingdom, Hyderabad, India, Columbus, MS, Los Angeles, CA and Atlanta, GA. Currently enVista employs more than 400 associates globally.

## Clients and Industries Served

We serve mid-market and Fortune 100/5000 organizations primarily in the retail, manufacturing, consumer goods, third party logistics (3PL), media and publishing, food and beverage, healthcare and non-profit sectors.

## Quick Facts

- Named to the Inc. 500/5000 list as one of America's fastest growing privately-held companies for four consecutive years
- Recognized by the Indiana Economic Development Corporation as one of the Top 50 Companies to Watch
- 98% client retention
- 33% compound annual growth rate since company's founding in 2002
- More than 400 associates globally
- enVista differentiates itself by offering the ability to consult, implement and operate

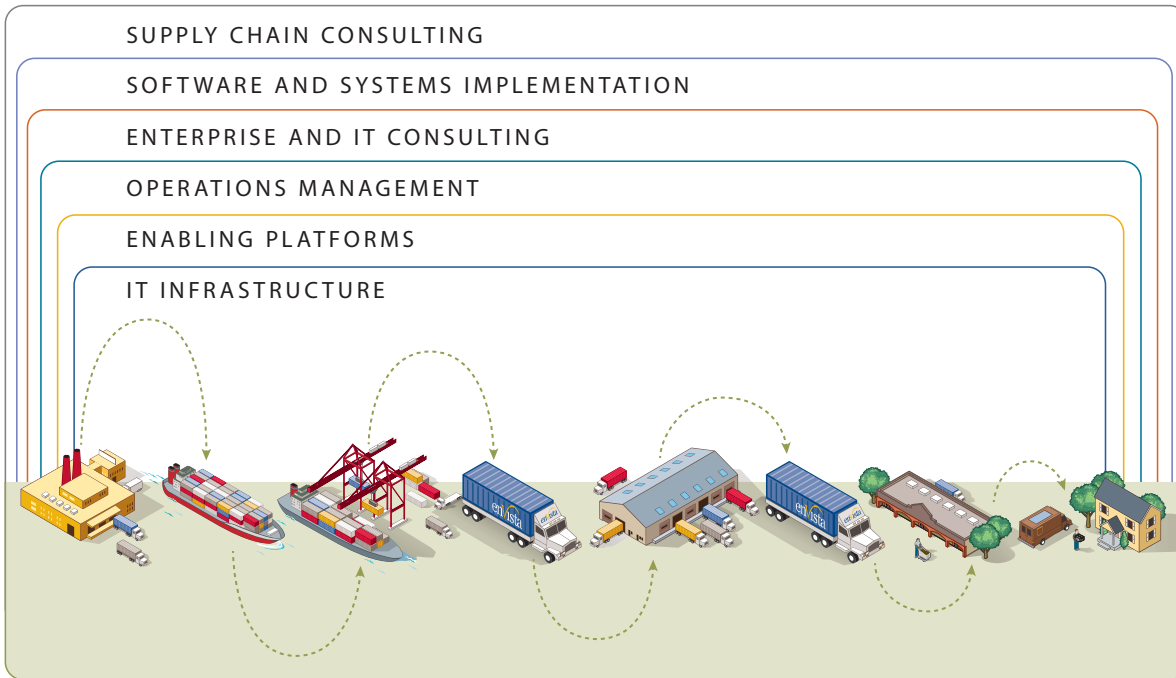

“Our passion and success lies in our ability to help clients avoid, reduce and contain costs across their enterprise.”

Jim Barnes,  
President & CEO
